

Sheraton - Airporthotel

TYPE OF APPLICATION: renovation frontside

LOCATION: Frankfurt/Germany

DATE OF CONSTRUCTION: april 2007

ENGINEER/ARCHITECT:

CONTRACTOR/PLASTERER: Schwenk - Putz

Sheraton - Airporthotel

Description of the project

Armanet reinforcing mesh was requested to make a new frontside. Different undergrounds with non adhesive surfaces had to be protected with Armanet, that the new plaster could get a fixation.
